EDUCATION

Georgia State University | Atlanta, GA

Expected Graduation May 2026

B.A. - Computer Science

Cumulative GPA: 3.31

Extracurricular Activities:

- **STEM Career Club:**

Connects what students learn in their classrooms to real-life experiences through industry site visits and on-campus group panels with representatives from STEM-focused organizations.

- **Girls Who Code Club:**

A nonprofit organization that is dedicated to closing the gender gap in technology and computer science.

SKILLS & TECHNICAL TOOLS

Languages: Python, JavaScript, HTML/CSS, (Currently learning C++)

Technologies: Visual Studio Code, PyCharm, Jupyter Notebook, Matplotlib, CAD

EXPERIENCE

Operations Intern | Arka HR

June 2023 - Current

- Working to demonstrate strong problem-solving skills by identifying bottlenecks in existing workflows and proposing innovative solutions that enhance data accuracy and accelerate project timelines.
- Collaborating to effectively track project progress, task management, and optimization of resource allocation using Monday.com, while also applying technical expertise to design and maintain automated processes using Zapier.com- resulting in a significant reduction in manual tasks and increased team productivity.

Sales Associate | Best Buy

August 2023 - Current

- Utilizing in-depth technical knowledge to assist customers in selecting the best computing solutions for their needs, resulting in increased customer satisfaction and recurring business.
- Acting as a reliable resource for customers seeking advice on troubleshooting technical issues, offering comprehensive solutions, and enhancing their overall computing experience.

PROJECTS

Speech to Text | Python | [Link](#)

- Developed a speech-to-text recognizer using Python, enhancing accessibility for users with hearing impairments.

Candy Crush Project | HTML, CSS, JavaScript | [Link](#)

- Created a Candy Crush game using HTML, CSS, and JavaScript, demonstrating proficiency in front-end development

Chat Bot | HTML, CSS, JavaScript | [Link](#)

- Developed a chatbot using HTML, CSS, and JavaScript, improving customer service efficiency and response time.

Portfolio | HTML, CSS, JavaScript | [Link](#)

- Developed a personal website portfolio using HTML, CSS, and JavaScript, demonstrating web development skills and providing a platform to showcase my projects and skills to potential employers.

LEGO | CAD | [Link](#)

- Designed a 3D model of a Lego person using CAD, showcasing creativity and precision in design using specific measurements.

LANGUAGES

- English (Native)
- Spanish (Fluent)
